Watercolor Workshop Series: The Key West Art Center presents a series of three watercolor workshops this coming season on Tuesdays from 10am-1pm Jan.10-April3 in our upstairs gallery/classroom. Taught by well known Key West artist and instructor, Karen Beauprie, each four week session will address one aspect of painting in watercolors.

"Dynamic Design" will highlight seven compositional ideas in order to organize the emotional experience of painting during Session I: Jan. 10-31, 2012. In Session II: February 14-March 6, the students will "Explore Color", developing a variety of palettes and connect color with design. Session III: March 13-April3 will cover the techniques of painting on "Alternative Surfaces", such as Yupo, canvas, and clayboard.

Students must have a working knowledge of watercolor and the class size will be limited to 10 students. Students must bring their own supplies. (supply list can be found at www.beausartstudio.com) Cost of each session is \$80 (weekly \$20). Pre-register by calling 305-517-6806; 847-6872667; or e-mail karen@beausartstudio.com
